Introduction

Frontline Consultancy and Business Services Ltd ("Frontline") is committed to full compliance with the UK GDPR, the Data Protection Act 2018, and ICO guidance.

Lawful Basis for Processing

Frontline processes data under lawful bases including contract, legal obligation, legitimate interests, and consent.

Roles & Responsibilities

As a Data Processor, Frontline follows customer instruction and applies strict security controls. As a Data Controller, Frontline defines purposes and means of processing.

Data Security & Technical Controls

Frontline implements multi-layered security, encryption, monitoring, ISO-aligned controls, and cloud-security frameworks.

Data Breach Management

Frontline maintains a GDPR-compliant breach policy, investigates all incidents, notifies customers, and documents outcomes.

Sub-Processors

Frontline ensures GDPR compliance for all sub-processors including Microsoft Azure.

International Transfers

Transfers outside the UK use SCCs, adequacy decisions, or other approved mechanisms.

Data Retention & Disposal

Data is retained only as required and securely erased or anonymised when no longer needed.
